

WE ALL SHARE THE SAME FRONT YARD!

Good **stewardship** of the lake is not just about our duty to make sure that we maintain a **high water quality**, it's also about all the ways we enjoy our lake and care for our **community**. Please remember that we have other **neighbors** who have no voice, but rely on us just as much to take good care of the lake we all call **home**. Your **membership** in the **Glen Echo Improvement Association** shows you take personal responsibility to **support your fair share** of ALL of your Association's business, including **theirs**. &
